

Help Prevent Home Fires

National
Fire
Safety
Council, Inc.

Know
the 5 leading
causes of home
fires...

...cooking, heating, electrical,
candles, and careless smoking.

Directions: Read the promise below then sign and date with your parent or guardian.

I Promise to:

1. Turn off the burner if you leave the room even for a minute.
2. Keep space heaters at least 3 feet away from anything that can burn.
3. Replace loose or damaged electrical cords.
4. Blow out candles before leaving the room.
5. Ask people to smoke outside.

Install a working smoke alarm on every level of your home and keep a fire extinguisher nearby.
